

MEDIA RELEASE/WEB SITE PERMISSION FORM

Child's Name: _____

Date: _____

As you know, schools and departments frequently highlight the many good things that are happening through various forms of media releases or web site information, and Kiddie Country wishes to do the same.

Our media releases/web site information would include, but are not limited to, articles and photographs in local papers, voice/videos of students programs shown on our website or a local television channel, periodic image updates to our website for promotional and informational purposes, etc.

Pictures, film, or video takes used for media or website purposes may be of large groups of students or individual students. You can be assured that selected photographs/films/videos will be tastefully presented and that any website or promotional information will be a high quality outcome.

Thank you in advance for your consideration in allowing us to share the positive aspects of our school and the accomplishments and positive participation of our children.

I have read the above information and

____ give my permission

____ reserve my permission

for my child's voice or image (photo/film/video) to be published for media or website use.
